Basis of Credit Conversion:

Credential 1: University Graduation Degree
The units of study for the final three years of the University of Polytechnic University of Hanoi, University Graduation Degree are expressed in total credits (193), normally taken over a three-year period. Credit conversion was based on the comparable completion of 30 credits per year in British Columbia. This results in a conversion ratio of approximately 2.14 units to 1 British Columbia credit.

Basis of Grade Conversion:

Credential 1:
Polytechnic University of Hanoi
